Jeff Kinley joins me today to talk about his book, *As It Was in the Days of Noah*. Jesus said when He returns, it will be like the days of Noah. Most people think of Noah as a children's story, but it's anything but. We're going to talk about the harsh realities of that story, the parallels to our world today, and how believers should prepare for what's coming.

The Days of Noah Are Here — Bible Prophecy Expert Reveals What Comes Next

For 120 years, Noah built a massive ark on dry ground — ridiculed, mocked, and dismissed. Sound familiar? In this powerful conversation, Jimmy Evans and Jeff Kinley connect Noah's world to ours: explosive violence, sexual immorality, God pushed out of every public square, and a world on the edge of judgment. They also tackle the rapture timeline, what the Bible says happens next, and how Christians can face today's chaos with confidence instead of fear.
